

WHY INVEST IN YOUR PROFESSIONAL LEARNING?

BECAUSE OUR STUDENTS DESERVE THE BEST!

FACT

The Sit & Get model of PL has got up and went.

FACT

The time is NOW for YOU to Go & Show what participating in effective professional learning can do for everyone!

FACT

Teachers have high expectations for students to spend quality time on instruction, collaborate with their peers, actively engage and deliberately model context driven learning.

TEACHERS...EXPECT NOTHING LESS OF YOURSELF!

TRUST

The Go & Show PL process will have the ongoing support you need to be successful.

Together, we WILL be better teachers and our students WILL achieve more!

For more information on how effective PL can move your ideas forward and create significant learning environments

DISCOVER THE 5 KEYS TO EFFECTIVE PL

DURATION

PL must be significant and ongoing to allow time for teachers to learn a new strategy and grapple with the implementation problem

SUPPORT

During implementation stage that addresses specific challenges of changing classroom practices

ENGAGING

Participation is active and stimulates the minds of all learners helping to make sense of a new practice

MODEL & CONTEXT

Modeling is highly effective in helping learners understand unfamiliar concepts. Context of concepts must be specific to the discipline and grade level
